PURCHASE & REGISTRATION

• Purchase Windows Version of Sidify Music Converter for Spotify
• Register Windows Version of Sidify Music Converter for Spotify

Purchase Windows Version of Sidify Music Converter

Quick Link: To buy a license key for the Windows version of Sidify Music Converter for Spotify, click Here.

1. Why should I buy Windows version of Sidify Music Converter for Spotify?

Sidify Music Converter Windows version is a shareware, and the trial version limits users to convert the first minute for each audio for sample testing. After purchasing the program, you will be offered a license with your registration e-mail and key code which will unlock the trial version limitation.

2. What benefits do I have after registration?

- You can **convert Spotify songs without time limitation**.
- You can enjoy lifetime FREE upgrades to the latest versions of the same product.
- You can enjoy FREE technical supports.

## Register Windows Version of Sidify Music Converter

Step 1: Run Sidify Music Converter and click the cart icon to open the registration dialog and fill in with your registration info.
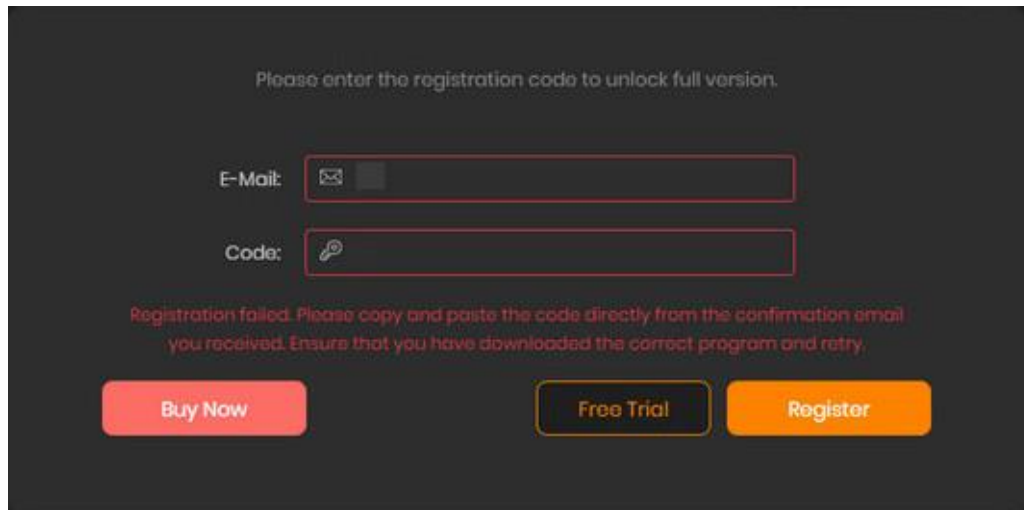

Step 2: After you finish the registration, the limitation of the trial version will be removed.

Note:

Make sure both the Email address and key code are the same as what we provided in the confirmation email after purchasing the program. if not, an error message will pop up as below:
